OKLAHOMA BULLETIN NO. OK190-3-18

SUBJECT: ECS – Updated National Biology Manual

Purpose: To transmit the National Biology Manual.

Expiration Date: September 30, 2003

The new National Biology Manual (NBM), dated July, 2003, has been released electronically. The manual can be accessed electronically through the NRCS Electronic Directives Web Site by logging onto <http://policy.nrcs.usda.gov> under "Manuals".

NRCS field offices have the option of printing and filing a paper copy of the entire manual or filing only the attached cover page. There is a reference to the above mentioned web site on the back side of the cover page.

Filing Instructions: Remove and discard the November 1983 version of the NBM, and file the cover page **or** a printed copy of the entire manual in the existing NBM binder or with other ECS national manuals (i.e. Agronomy, Forestry, Range and Pasture).
