Purpose: To provide information to field offices about scholarship opportunities

Expiration Date: September 30, 2003

The SWCS Scholarships in Conservation are being announced. Attached to this bulletin you will find a copy of the scholarship rules, application form, and a press release. You are encouraged to provide copies to those individuals who may be interested in these \$500 scholarships and to submit the press release to local newspapers in your area. Applications are due April 25, 2003.
