

February 4, 2003

OKLAHOMA BULLETIN NO. OK270-3-3

SUBJECT: IRM - Oklahoma NRCS IT Information

Purpose: To inform Oklahoma NRCS employees of where to locate Information Technology guides.

Expiration Date: September 30, 2003

The Oklahoma IRM Manual located in each field office should be destroyed. The information located on the Oklahoma NRCS web server will serve as the Oklahoma NRCS office IT Manual. This information may be accessed through the Information Technology link, under the Quick Link section of the Oklahoma NRCS Intranet;

<http://intranet.ok.nrcs.usda.gov>.

NRCS employees will find this information useful to change passwords, add new users, map drives, etc.
