OKLAHOMA BULLETIN NO. OK190-5-1

SUBJECT: ECS – Filing of Oklahoma Job Sheets

Purpose: To release filing instructions for Oklahoma Job Sheets

Expiration Date: September 30, 2005

National Bulletin 450-4-11 directed changes to the contents of Section IV of the Field Office Technical Guide (FOTG). The changes consist of adding job sheets, operation and maintenance plans, statements of work, and other practice specific information related to conservation practices.

The Oklahoma eFOTG has been updated to reflect these changes. Job sheets will now be placed in Section IV with the related conservation practice standards.

Filing Instructions: All job sheets can be removed from the job sheet binder and discarded.
